

PTA Mid-Year Pass the Hat Fundraiser - 2016

Dear Parents,

We are currently running \$10,000 under budget for PTA funds based on our forecast from last year. If you are new to Rockwell, have not donated yet for the year OR still need to get your corporate matching in (from September 2015 donations), please do so now! If your employer matches your contribution to the PTA, it means your donation **DOUBLES** and we get to keep all of the amazing programs and events that make the Rockwell experience the best on Education Hill! It takes only 5 minutes to submit your donation match request online with your employer and ***you do not need a receipt to do so.***

It is officially mid-school year and the PTA has been busy! Besides funding countless grants on the individual classroom level, the PTA has been funding requests across the grade levels that include multiple field trips and visits from the Toy Maker. We are also gearing up for additional PTA-sponsored events at Rockwell in the coming months, including Family Bingo Night, the Rockwell Musical and the All-School Dance Party. So please be sure to check out our website at www.normanrockwellpta.org for more information.

What is Pass the Hat?

Pass the Hat is Rockwell's primary PTA fundraiser. The funds raised are allocated to provide Rockwell students and families with resources and services. These services enrich and maximize the education of students during the school year. Rockwell PTA depends solely on Pass the Hat to fund the annual operations budget and the many programs we provide for our students at Rockwell including:

- Academic Enrichment activities
- Grade Level Grants
- After School Events

You can donate by including a donation in the attached Pass the Hat envelope, or visit our website at: <http://normanrockwellpta.org/Page/Fundraising/PassTheHat>

We appreciate your support!
